Matt/ Jami,

You are welcome. YES! I really enjoyed your band. the variety of music was great. You play to the crowd well. I know I requested a few songs and your band met the challenge.

Bottom line, I would highly recommend your band for almost any occasion.
Jami, I guarantee Ashley employees will enjoy you Matt's band. Very clean cut so no worry about possibility offending anybody.

Jami, you can't go wrong with this band.
Chuck
